## VISION:

To be ranked as the number one Investment Promotion Agency globally.

## MISSION:

"Striving to contribute to Grenada's socio-economic development by generating and facilitating sustainable local and foreign investments."

## WHO WE ARE:

The Investment Promotion Agency (IPA) of the Grenada Investment Development Corporation is the primary facilitator of investment services for existing and potential local and foreign investors in Grenada.

## WHAT WE DO:

We provide investment facilitation services which includes handling inquiries, promoting investment opportunities and advocating for policy changes that will improve the investment climate.

## WHO WE TARGET:

Local and foreign investors who are interested in investing within Grenada's priority sectors namely tourism, agri-business, ICT, energy, Health & Wellness.

## WHAT WE PROVIDE:

1. Advice and information on doing business in Grenada.
2. Investment facilitation - assistance in securing all required approvals, permits and licenses.
3. Processing of applications for investment incentives.
4. Investment opportunity profiles - detailed information on projects/sites available for development or investment.
5. Facilitation/hosting of investment missions.
6. Investment, trade and economic statistical data
7. Facilitation/arrangement of meetings on behalf of our clients.
